## Footnotes

### Anthem Blue Cross

\*All Medical and Dental Plans and Rates are subject to Regulatory Review and/or Approval.

\*Employers are responsible for sending an electronic or printed copy of the summary of benefits and coverage (also called an "SBC") to plan participants and beneficiaries. To access your groups SBC's, go to <https://sbc.anthem.com/>.

\*This summary of benefits has been updated to comply with federal and state requirements, including applicable provisions of the recently enacted federal health care reform laws. As we receive additional guidance and clarification on the new health care reform laws from the U.S. Department of Health and Human Services, Department of Labor and Internal Revenue Service, we may be required to make additional changes to this summary of benefits. This summary of benefits, as updated, is subject to the approval of the California Department of Insurance and the California Department of Managed Health Care (as applicable).

\*The Anthem Blue Cross medical and dental premiums displayed in this proposal are based on the census information provided and the zip code rating region designations in Health Connect's system. Some zip codes may have a dual county rating region. Health Connect has defaulted these zip codes to the most populous county. However, once Anthem Blue Cross receives the enrollment the county may be updated based on the physical address. To improve the accuracy of this proposal, insure the correct rating region designation is noted for the Employer. Rating regions can be referenced in the rate guide Final rates are set by Anthem Blue Cross.

\*New Hire rates are based on the employee's age as of his/her coverage effective date. If this is a "New Hire" quote, please make the necessary changes in your census to reflect the true age of the new employee.

### Blue Shield

\*Blue Shield currently has a billing system glitch when a new hire is added mid-year. The rate that the system assigns the member is based on the group effective date or previous renewal date instead of the age at time of enrollment. They are working to correct this error and hope to have it resolved this year. The correct rate should be based on the employees age at time of enrollment; however, due to the system issue, the incorrect lower rate is being charged.

\*The 2016 plan designs are still PENDING REGULATORY APPROVAL.

\*New Hire rates are based on the employee's age as of his/her coverage effective date. If this is a "New Hire" quote, please make the necessary changes in your census to reflect the true age of the new employee.

\*If you are an employer located in certain California counties whose eligible employees live or work in the Exclusive HMO® service area, you have the option of choosing any of the Full HMO® plans or Exclusive HMO, but not both. The Exclusive HMO plans have the same benefits as our Full HMO plans. Exclusive HMO plan options may not be combined with or offered alongside any other full network HMO plan.

### UnitedHealthcare

\*Core and Navigate plans may be available to employees residing outside of CA. Please contact your representative for further information.

\*There may be additional plans available for specific service areas not quoted herein. Please contact your broker.

\*Premium rates and/or product forms included herein are subject to approval by regulators. If the rates or product forms offered herein are subsequently modified by regulators we will immediately advise you of the change in plan design and retroactively adjust premium in subsequent billings, in accordance with applicable law. The Navigate network included herein is subject to approval by regulators. If the Navigate network offered herein is subsequently modified by regulators we will immediately advise you of the change in network, in accordance with applicable law.

\*UHC will not write business if more than 25% of the population is located in Vermont or Minnesota.

\*Each UnitedHealthcare Member can choose their Primary Care Physician, as long as the doctor is selected from United's list of Primary Care Physicians and the doctor is located within 30 miles of either the Member's Primary Residence or Primary Workplace.

\*New Hire rates are based on the employee's age as of his/her coverage effective date. If this is a "New Hire" quote, please make the necessary changes in your census to reflect the true age of the new employee.

\*Infertility is an optional benefit for all HMO plans and the rate is calculated as a 4.8% premium increase.

Use of this site constitutes acceptance of HealthConnect's Terms of service and Privacy Policy.
