Footnotes

Anthem Blue Cross

*All Medical and Dental Plans and Rates are subject to Regulatory Review and/or Approval.

*Employers are responsible for sending an electronic or printed copy of the summary of benefits and coverage (also called an "SBC") to plan participants and beneficiaries. To access your groups SBC's, go to <https://sbc.anthem.com/>.

*This summary of benefits has been updated to comply with federal and state requirements, including applicable provisions of the recently enacted federal health care reform laws. As we receive additional guidance and clarification on the new health care reform laws from the U.S. Department of Health and Human Services, Department of Labor and Internal Revenue Service, we may be required to make additional changes to this summary of benefits. This summary of benefits, as updated, is subject to the approval of the California Department of Insurance and the California Department of Managed Health Care (as applicable).

*The Anthem Blue Cross medical and dental premiums displayed in this proposal are based on the census information provided and the zip code rating region designations in Health Connect's system. Some zip codes may have a dual county rating region. Health Connect has defaulted these zip codes to the most populous county. However, once Anthem Blue Cross receives the enrollment the county may be updated based on the physical address. To improve the accuracy of this proposal, insure the correct rating region designation is noted for the Employer. Rating regions can be referenced in the rate guide Final rates are set by Anthem Blue Cross.

*New Hire rates are based on the employee's age as of his/her coverage effective date. If this is a "New Hire" quote, please make the necessary changes in your census to reflect the true age of the new employee.

Blue Shield

*Blue Shield currently has a billing system glitch when a new hire is added mid-year. The rate that the system assigns the member is based on the group effective date or previous renewal date instead of the age at time of enrollment. They are working to correct this error and hope to have it resolved this year. The correct rate should be based on the employees age at time of enrollment; however, due to the system issue, the incorrect lower rate is being charged.

*The 2016 plan designs are still PENDING REGULATORY APPROVAL.

*New Hire rates are based on the employee's age as of his/her coverage effective date. If this is a "New Hire" quote, please make the necessary changes in your census to reflect the true age of the new employee.

*If you are an employer located in certain California counties whose eligible employees live or work in the Exclusive HMO® service area, you have the option of choosing any of the Full HMO® plans or Exclusive HMO, but not both. The Exclusive HMO plans have the same benefits as our Full HMO plans. Exclusive HMO plan options may not be combined with or offered alongside any other full network HMO plan.

Kaiser

*New Hire rates are based on the employee's age as of group's contract effective date.

*Actual rates may be lower if a less expensive default rating area is applied to the group.

*The Kaiser Permanente medical and dental premiums displayed in this proposal are based on the census information provided and the zip code rating region designations in HealthConnect's system. Some zip codes may have a dual county rating region. HealthConnect has defaulted these zip codes to the most populous county. However, once Kaiser Permanente receives the enrollment the county may be updated based on the physical address. To improve the accuracy of this proposal, insure the correct rating region designation is noted for each quoted subscriber.

*Employees who live outside the Kaiser Permanente service area are not eligible for coverage unless the employer is located in the Kaiser Permanente service area. If an employer is located outside the Kaiser Permanente service area, then only the employees who live in the service area are eligible for coverage. Employees must meet all qualification requirements to be eligible to enroll.

* Groups can only offer one PPO plan alongside HMO plan(s).

*All metal HMO medical plans include a bundled pediatric dental rider. The cost of the rider is included in the medical plan premium for members under 19.
